ASSESSMENT CRITERIA

Price - 100%

Criteria – price (maximum number of points = 100)

1. Number of points (max 100 points) which can be obtained under the "price" criterion will be calculated according to the formula: $W_x = (C_{min}/C_x) \times 100$ points
W_x - the number of points awarded to the evaluated offer for the price,
C min – the lowest net price offered on valid offers
C_x - net price of the offer being evaluated

$$W_x = \frac{\text{Lowest net price}}{\text{Net price of the offer being evaluated}} \times 100 = \text{number of points}$$

In the case of offers expressed in a foreign currency, the value of the offer will be converted into PLN according to the average NBP exchange rate on the day the proceedings were initiated (placing the announcement in the Competitiveness Base).
